

**SUNSHINE CREATIONS** is a Booking, Promotion and Management Agency for new & upcoming and established artists that bring a conscious uplifting message.

We exclusively work artists who contribute to mental and spiritual well being and growth of tomorrows generation by bringing them a positive, Upfull message in music in a fun, loving and joyous way.

Our capabilities include a broad expertise in Artist Development, Touring, Commerce, Festivals, an Artist Driven Philantropy, and more...

We work on creating opportunities for people to become aware of their individual and collective impact on the world today.

Our goal is to Create, Spread and Support an awareness that celebrates Life, Love and joy in unity to make this world a better place. Through MUSIC we aim to inspire you and others to contribute to this goal.

**CELEBRATE LIFE!**
